

Call for Expressions Of Interest (EOI) To Receive Technical Training On Institutional Clean Cookstoves

The Federal Ministry of Environment (FMEnv), with the support from the Nigerian Energy Support Programme (NESP), herewith invites local clean cooking companies to express their interest in receiving technical training on clean cooking:

1. Background

The FMEnv, with the support from NESP, wishes to strengthen the technical capacities of local clean cooking companies involved in the promotion of institutional level clean cookstoves. To this aim, local companies are hereby invited to express their interest in receiving training on the techno-economic aspects of the institutional clean cookstove business. The training will be delivered through Webinars and physical training in the 4th quarter of 2020 (provided that the situation caused by COVID-19 outbreak allows).

2. Offer

Objective Interested companies will be provided technical training on clean cooking.

Duration October to November 2020

Location Webinars

3.

3. Submission Details

The interested companies must send the Basic Details copied in the body of an e-mail as per Section 4 together with a stamped copy of the CAC (as an attachment to the e-mail) and with the following subject: "Registration for technical training on institutional clean cookstoves" to the designated email id: nigeriancleancookstove@gmail.com not later than 30th September, 2020.

4. Basic Details

Details

Response

Name of the registered entity (Please, send the CAC along).

Name of the contact person including mobile number. (Preferably two mobile numbers should be provided)

Email address of the contact person (preferably two email ids should be provided in bold and capital letters)

5.

Note: This Expression of Interest (Eoi) does not entail any commitment on the part of FMEnv or NESP.
